"Breathe Again" is a song by American R&B singer Toni Braxton from her self-titled debut album (1993). Written by Babyface and produced by L. A. Reid, Babyface, and Daryl Simmons, the ballad was released as the album's second single, garnering heavy airplay during the summer and autumn of 1993, which resulted in it being the most successful ...

Today I found out around 85% of humans only breathe out of one nostril at a time. Even more interesting is that the pattern of switching from breathing out of one nostril to the other happens in a cyclical fashion, with about four hours or so between each switch typically; although, this can vary from person to person and vary based on your ...
