German nationality law is the law governing the acquisition, transmission and loss of German citizenship. The law is based on a mixture of the principles of jus sanguinis and jus soli.

### **German nationality law - Wikipedia**

History of citizenship describes the changing relation between an individual and the state, commonly known as citizenship. Citizenship is generally identified not as an aspect of Eastern civilization but of Western civilization. There is a general view that citizenship in ancient times was a simpler relation than modern forms of citizenship ...
