### **The Fires of Coventry | Rakuten Kobo**

"The Fires of Coventry" continues the war between the two star spanning powers. This time the Federation strikes at Coventry, one of the Second Commonwealth's core worlds. In this book, Rick Shelley, lets the reader view war from the perspective of Coventry's civilians, ill trained weekend warriors, and the professionals of the Second Regiment of the Royal Marines. Great book, I also recommend reading the author's other two Spaceborne."
